

APPROVED UNTO GOD

INTRODUCTION TO THEOLOGY

DEFINITIONS

A. Theology:

The study of God

ology = study of

Theo = Greek word for God

B. Systematic Theology:

*It is "Systematic" because we approach theology using a deliberate method - It is the study of God by **topics**.*

Anything that answers the question, "What does God say to me about a given topic."

i.e. "What does God say to me about Christ" is Christology
(and we will study that in A.U.G.).

For Next Session's Quiz: Know these two definitions and be able to write out the books of the Old Testament (the first letter of each will be given in the same manner as below). And know the following verse:

"Do your best to present yourself to God as one approved, a workman who does not need to be ashamed and who correctly handles the word of truth." II Timothy 2:15
