MOPS: Mothers of Preschoolers

MOPS provides a Christ-centered caring ministry for mothers of children from birth to kindergarten.

MOPS cares that a woman...

- has a safe place to be herself
- grows to be all that she can as a wife, mother & friend
- knows and experiences God's love

A typical MOPS meeting includes an informal time of treats and conversation, followed by an instructional time. Subjects relating to womanhood, marriage, child rearing and relationships are discussed from a biblical perspective. Small discussion groups provide honest interaction, deepening friendships and spiritual enrichment. A crafts activity time (offered occasionally) promotes a sense of accomplishment through creative expression.

MOPPETS: Children's Program

Day A & B: The MOPPETS program is designed specifically to care for the needs of children from birth to kindergarten. The purpose of this ministry is to provide a safe and stimulating environment for each child and to introduce them to the love of God.

MOPPETS cares that each child...

- feels good about themselves
- knows and experiences the love of God
- receives quality care and teaching

MOPPETS teachers help shape the future through their input of Christian love and teaching. Dividing the children into age groups allows each child to socialize within groups of similar skill and interest level.

Every morning is filled with stories, games, songs, crafts, art projects, play time, large and small motor time and a snack.
